

## Experience

Rosewood Woodworking School | Perth, ON

### **Furniture and Cabinetmaking | Sept - Nov 2023**

Gained techniques in fine-furniture making. Participated in courses on wood technology, shop safety, hand and machine tooling, joinery, veneering, drawer fitting, bent lamination, and knife sharpening. Created a shaker nightstand, a wall-hung cabinet, and a veneered round table.

Frontgate | Hybrid - Cincinnati, OH

### **Textiles and Concept Co-Op | Jan - April 2023**

Created a Pantone digital and physical system for organizing and ensuring material color and finish accuracy across platforms. Curated trend insights across categories and applications. Created synthesized seasonal reports on location, lifestyle, textile, color, and case good applications. Aligned trend, concept, and design with company mission and aesthetic intent.

Frontgate | Hybrid - Cincinnati, OH

### **Furniture Design Co-Op | May- Aug 2022**

Conducted competitor and trend research to inform design of indoor and outdoor furniture and home goods concepts for retail. Led the design development and presentation of projects to cross-disciplinary teams. Studied material construction for CMF application. Reviewed manufacturing samples for product quality assurance and color accuracy. Identified opportunities in the relationship between brand and customer.

Hasbro | Remote

### **Product Design Co-Op | PJ Masks | Jan - Apr 2021**

Concept designed new CMF solutions for toy development and branding for the TV series PJ Masks in a team environment. Created deco spec sheets, and seasonal and novelty color concepts. Generated new product design ideas. Utilized design thinking and visualization to aid in rapid prototyping and manufacturing.

University of Cincinnati | Remote

### **Student Research Assistant | May - Aug 2020**

Conducted qualitative interviews. Collaborated on creating strategic timelines, proposal reports, and performance metrics to gauge progress towards project and product development goals. Curated insights for The Future of Work: Strategy and Design Activation. Engaged in co-operative design research to design user experience products and user interface experiences. Synthesized and presented findings to university faculty.
